

T U E S D A Y, MAY 17, 1768.

CHARLES-TOWN, MAY 17.

Extract of a Letter from Mr. JAMES COOK, Provincial-Surveyor, to a Gentleman in Charles-Town, dated at Santet, Pine-Tree, January 27, 1768.

SIR,

I PROMISED in my last to send you my Observations on the interior Parts of this Province, when there appeared any material Difference to me from the Sea Coast. A Number of Remarks have lately fell under my Observation, since I arrived in this River, which I intend for the Subject of this Letter, assuring you, what I write is a simple Truth, divested of Party and Prejudice. The Banks and River-Swamps of this River Santee, are so well known for their Fruitfulness and Value, I shall say nothing about it.—Above the Tide—there are many valuable rich Plantations for One Hundred and Thirty Miles upwards; notwithstanding its Fertility, it is the Disadvantage of low Banks, which in large Freshes overflow, and sometimes the Crop and Stock of Cattle are wholly lost. The Swamp in general is three or four Miles wide, and is full of Oaks, and large Trees, common to the Country. In this River may be had as high as St. Andrew's Church, above which Place none has yet been discovered. When the River comes close to the Pine Land, it is a Blue and in many Places, delightful Situations, and extensive Prospects. Above the Forks where the Congaree and Wateree unite, affords Matter for Speculation, and to the Legislature and Common-wealth in general. The Lands of the Soil I will treat with the strictest Impartiality, and with my Capacity was capable of explaining the Situation of this Part of the World, it would appear a respectable Place, whose People have all the Sentiments of Hospitality and Friendship; however I shall give no Opinion freely, without Fear of Censure or Praise, having nothing but the Truth to offer. On these Lands the Soil is rich in a superior Degree to any other in the Province, and not subject to those frequent Inundations which the Sea Coast is; it is overflowed no oftener than will be the Soil, which is luxurious by Nature, and affords human Assistance for its Produce; it is a very fertile Soil, and is curious enough to look about it, and to see the good Constitution excels the Frontiers, and I think would embellish the Complexion of the Province. The River has had its Inconvenience, but it is removed by dispersing the Robbers and Thieves that used to haunt it, and I think more has been performed in a few Years than the tedious Delays of a remote Law could have done in the Years. The Value of these Lands is not known, if known at all, in Charles-Town, else the Planters would never cultivate a Sand Hill, when the Hands would produce a larger Crop here, the only Convenience a distant Market, and no Water Conveyance, which I reply, this noble River is navigable by Nature, and the general Imagination, and with the Expense of a few Days, would be possible in a few Days; I myself, with a small Boat, against the Current, for there is generally an ebb, and the Consequence of a rapid Stream. I have not been repeating the vast Concurrence of People returning to the Pine-Tree-Hill, it would surpass the Imagination of a Stranger, it looks more like a Fair, or a daily Market, than a fair, and a School built by Subscription, which is a great Convenience, and the Choice of Numbers of People, and my Opinion the Situation most agreeable. I am, Sir, yours, &c.

CHARLES S. STOCKER,

HAVING removed into King-street, opposite Jane's Alley, begs the favour of all those to whom he is indebted, for a continuance of their custom, as at present he has no other way of paying them, but by working off.
N. B. All persons indebted to the said John Taylor, to the 1st of June 1768, are desired to make immediate payment to him, as he will prove all other payments to be illegal. He likewise informs them, that he is determined to prosecute, as far as the law will extend, all those that have settled accounts unjustly on his books during his confinement, as he was not in his power to authorize any person. 6 m.

NOTICE is hereby given to all to whom it may concern, that the Co-partnership between HAWES and FLAGG, Printers and Glaziers, on the Bay, was dissolved on the 27th of April last. All Persons indebted to the said Co-partnership are requested to make immediate Payment, and all Persons to whom they are anywise indebted, are desired to bring in their Accounts in order for settling the same. HAWES & FLAGG,

DARBY PENDERGRASS,

INFORMS his Friends and Customers, that he has moved from Meeting-street to the Bay, in the House formerly occupied by Mrs. Walker, and next Door to Captain Reid, where he continues the Taylor's Business as usual, and has likewise an Assortment of superfine Cloths, Trimmings, and other Materials fit for his Business, lately imported from England, and bought for ready Money; he will be much obliged to those Gentlemen who will employ him, as they may depend on having their Work done in the neatest and best Manner, and at a very moderate Price.

N. B. He has to sell for Cash, good Bohea Tea, at 2s. 6d. a Pound, plain and flowered Gauze, black Barcelona Handkerchiefs and Cravats, Chints, Cottons, Calicoes, and sundry other Articles very cheap. 6 w.

THE Subscriber intending to decline Shoemaking, will sell two or three Negro Shoemakers; they have done all my business for nine Years past, and are at least equal to any Negroes of the Trade in this Province, the eldest of them only 22 Years old. All Persons indebted to him for Boots, Shoes, &c. are desired to discharge the same immediately; he hopes his Country Friends will pay due regard to this, as he cannot conveniently apply any other way to them. JOHN MATTHEWS.

For SALE,

A TRACT of land, containing 650 acres, old measure, on Ashepoo great Swamp, near the Fish-pond Bridge; it is esteemed by good judges to be one of the best tracts on that swamp, and (from its situation, proportion of high and low land, &c.) appears to be admirably calculated for a finished rice plantation.

A TRACT, containing 600 acres, consisting of a cluster of islands, situate on the east side of Ashepoo-river, a little above Bennet's Point. The islands are connected by a hard marsh, of which there are several thousand acres adjacent, which renders it an excellent and never failing range for cattle sufficient to maintain five or six hundred head. There is a small creek which runs through the tract, and by digging a short canal to lead it to the river, will make it entirely distinct from any other. Pork may be raised there to great advantage, as the islands abound with acorns; the land is also extremely good for corn or indigo, and has several good landings on it; there is now on it a small flock of cattle, horses, hogs, &c. which will be sold either with, or without the land. Any one disposed to purchase, may apply in Charles-Town, to RICHARD HUTSON.

THE Subscribers are under a necessity of closing all their concerns, therefore give this notice, that all accounts not paid, or settled by bond, by the 25th day of June, will be put into the hands of an attorney to be sued for.—The longest indulgence, where there is bonds, will not exceed the first of October next, and that only to those we know will be punctual.—Those either in the private concerns of John Perdriau, as well as those with Perdriau and Fabre, will pay due regard to this, as no other notice will be given. 3 m. SOUTH-CAROLINA.

The Presentments of the Grand Jurors of the Body of this Province, at a Court of General Sessions of the Peace, Oyer and Terminer, Assize, and General Goal Delivery, begun and holden in Charles-Town, on Monday the 18th day of April 1768.

WE present as a grievance, that so large a magazine of gun-powder as the present, is kept in Charles-Town, to the great terror of the inhabitants, whose lives and fortunes are in continual danger of destruction thereby.

II. We present as a grievance, the want of a law, to prevent the landing and storing of pitch, tar, turpentine and hemp, in Charles-Town, to the southward of Craven's bastion.

III. We present as a grievance, the want of a law, to prevent Negroes and other slaves going into, or being found in, any house where spirituous liquors are sold by retail, without a written ticket from their owners; and that licences for retailing spirituous liquors, are granted to unworthy persons, and to the wives of tradesmen, whereby the law is evaded.

IV. We present as a grievance, the want of a proper fish-market in Charles-Town.

V. We present as a grievance, the want of public streets in Charles-Town, leading from Ashley to Cooper-river, at a convenient distance between Queen-street and Ansonborough.

VI. We present as a grievance, the want of a law, to prevent the exorbitant expence that owners and masters of vessels are frequently run to in the court of vice-admiralty, for trivial causes, to the great detriment of the trade and navigation of this province.

VII. We present as a grievance, the want of public schools in the interior parts of this province, for the education of the children of poor people settled there.

VIII. We present, on information of the Hon. Robert Fringle, Esq; Joseph Wigfall, George White, Allen Bolton, Samuel Vernor, Jonathan Scott, Joshua Toomer, Levi Durand, Gabriel Capers, and Benjamin Wagfall, commissioners of the high roads of Christ Church parish, Berkeley county, for not-keeping the King's high road in that parish, in good repair.

IX. We present as a grievance, this want of public places of worship and ministers of the gospel, in the back parts of the province, that the inhabitants there may have the gospel preached, and other Christian duties performed amongst them.

X. We present as a grievance, Edward Musgrave, Esq; a justice of the peace, at the forks between Broad and Saluda rivers, as a man reputed, and believed to be, a very bad person, and encourager and conniver of thieves and robbers, to the great annoyance of his Majesty's good subjects in those parts: Also Thomas Bond, a justice of the peace in Amelia Township, as a person unworthy of that dignity; on the information of Moses Kirkland.

XI. We present as a grievance, the want of a law, to prevent masters and patrons of coasting vessels discharging their ballast in the rivers and navigable creeks in this province, to the obstruction of the navigation thereof.

XII. We present as a grievance, the narrowness of the roads between Charles-Town and the causeway leading to Ashley-ferry, as the numerous carriages to and from the adjacent plantations, as well as to and from the remote parts of the province, by the great increase of the inland trade, renders it dangerous to travellers.

XIII. We present Edward Johnston, for keeping a disorderly house in Elliott-street, retailing spirituous liquors without licence, and to Negroes; on the information of James Payne, constable.

XIV. We present William Manning, for keeping a disorderly house, entertaining Negroes, and supplying them with spirituous liquors, living near St. Michael's church in Charles-Town; on the information of Robert Howard, constable.

XV. We present as a grievance, that two town lots in Charles-Town, (No. 300 and 301) through which the late fortifications and ditch ran (adjoining northward on the lots lately possessed by Mrs. Mary Frost, deceased) are lately fenced in, and a house built on it by Mr. Thomas Farr, sen. notwithstanding the same was paid for by the public above twenty years ago, to Mrs. Mary Watson, and therefore deemed public land;—to prove this call Isaac Mazyck, Esq.

XVI. We present Joseph Curry, Esq; for selling unclaimed toll'd horses, and not returning any money for them to the public treasurer, for several years past, which is supposed to amount to a considerable sum, tho' he lately declared, that he had been to Charles-Town, and paid the same to the public treasurer; on the information of Thomas Green, of the Congarees.

XVII. We present William Harvey, for a nuisance, in building a necessary house in his yard, in Tradd-street, Charles-Town, for his Negroes, without making a vault, or putting in a tub, but left open behind, and thereby very offensive to the family of George Saxby, Esq; and others; on the information of said George Saxby, Esquire.

XVIII. We present, the want of a coroner, in Colleton county; on the information of James Stobo, Esq;
